Every so often, a gun comes along that demonstrates its value day in and day out, year after year, decade after decade. This gun may not be the rarest or most expensive in your safe, but through hard work, reliability and a tangible uniqueness, inevitably comes to define your collection. This is the workhorse you rely on when it counts the most. This is the gift you pass down to your children and grandchildren. This is the big smile on your face after a day in the field with the ones who matter most. This is Rossi.
Built on the tough and quick Model 92 action, the R92 combines beautifully authentic aesthetics with modern engineering, for a rifle that works hard and looks great doing so. 20" and 24" octagon-barrel models available in blue, blue/case-hardened or stainless, while 16" and 20" round-barrel models are finished in blue or stainless.
